B&D is the best caterer for business breakfasts & lunches & is a great place for kids' parties & team functions. I should visit www.owensbagellanddeli.com. I love the music & wifi here. Can I write on the wall? That Bagel Maker is hot! I haven't seen anything that steamy in awhile. I need this everyday. There are a lot of sandwiches on the wall, but not t the menus Can I make one up?
